The present amendments were not submitted at an earlier date as the Examiner's rejections were believed to have been fully met by the amendments and remarks made in the response to the last Office Action. Thus, this response represents the Applicant's only opportunity to make the present amendments and remarks a part of the record in this application.

Entry is finally believed proper at this time because the amendments do not raise any new issues that would require further consideration and/or search, since they merely conform in scope to the claims already adequately and properly searched by the Examiner and they do not introduce any new matter.

EXTENSION OF TIME

Applicant hereby petitions for a one-month extension of time in connection with the filing of this response. The initial three-month response deadline expired on 27 August 2004. The extended filing deadline expires on 27 September 2004.

NOTICE OF APPEAL

Applicant hereby appeals to the Board of Patent Appeals and Interferences from the last decision of the Examiner in this application.

FEE AUTHORIZATION

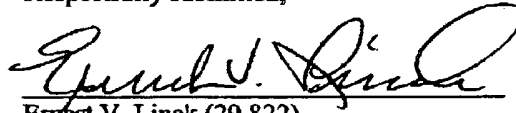

Please charge all fees (excess claim fees, time extension fee, Notice of Appeal Fee) associated with this filing to our Deposit Account – No. 19-0733.
